Now let's look at the most important data: (Desert Hills High School)

Student Comments on the School of Life Course:

"Before this class me and my mom has a very bad relationship, we argued and said mean things. But after this class I've changed my attitude towards her and life, I'm nicer and help her more, we enjoy doing things together. I tell her how much I appreciate her and she says it means a lot to her. I really enjoyed this class; it helped me in all aspects of life." – McKael

"The School of Life program changed my perspective on how I should live my life. I know that being happy and positive towards me and other people is the only way I can truly be happy. I'm thankful for the opportunity to be a part of this class and will encourage people to participate in it in the future." – Kenzie

"I learned the importance of perseverance and not giving up no matter what." – Dallas

"Who knew that being late for school and getting restitution would result in changing my perspective on life and people? I found myself through this program. I'm so thankful that I had this opportunity to do this and I will always remember the stories and experiences." – Codie

"All the A's have helped me to enrich my life. I've enjoyed my time in School of Life; it has helped me to lead a better life. It's helped me and others I have shared it with. Thank you." – Sinalei

“This class has made me want to help others and better myself which is something that is definitely worth my time.” - Brooke

“School of Life wasn’t just some silly detention thing that I was forced to do, actually at first that what I thought, but after just going once I was inspired and excited to go again and again to learn to become a better person. I recommend everyone attend because you will grow from this positive experience.” – Tori

“I am glad I attended the School of Life course. It helped me to realize that I need to be proud of who I am and have a good attitude in everything I do. We shouldn’t just drag ourselves through life. We need to be positive, set goals and work on being happy.” – Steven

“I learned that to complete anything you have to believe in yourself. If or if not you think you can do something, you’re right.” – Adam

“The School of Life was an amazing experience that helped me get better and learn how to use my attitude to be positive and work hard.” – Cayden

“I really enjoyed the School of Life because it taught me how to treat other people. I would definitely recommend this class to future students.” – Vince

“The School of Life was a big success in my life because the people who taught us and talked to us like we were privileged to be there and to be honest we were. I was very grateful I had a chance to participate in it.” -Tristan

“It gave me motivation to get going on all my college and after high school goals that I want to achieve. After that first week I was looking forward to going every Thursday. I honestly was sad when it was over. I am so grateful I was able to be a part of the program. I know we were all in there because we had made some mistakes and needed some way out of it. I honestly can say that I am happy it happened the way it did. If it wasn’t for those darn “no grades” I wouldn’t have learned so much about myself and others in just three weeks.” – Madison

“Thank you for allowing me to be a part of School of Life, I will keep the lessons with me for life.” – Victoria

“I have loved this program. . . it has made me grow and from now on I will be the best me. I will enjoy life and I will never give up. Thank you for allowing me to take this program.” – Brianna

“I am so glad I decided to take this class, it taught me a lot, although it was only three days it changed me for the better. I don’t even care if my restitution hours get taken away or not, because that class was worth it.” – Shantel

“I recommend this class to everyone and if I could I would take it all over again because it’s great and the people that teach it are awesome.” – Alejandra
